matte jacquard curtains

The Lyon collection is a refined ensemble of five distinct matte jacquards, each crafted with a luxuriously soft hand feel. Inspired by timeless textures, it features a bold herringbone, delicate twill, elegant trellis, and two distressed self-animal-skin designs subtle yet statement-making. Woven with finesse, these fabrics drape beautifully, offering a sophisticated, tactile experience ideal for contemporary and classic interior alike. The palette includes eight versatile neutrals complemented by two muted hues sage and old rose-bringing understated charm to any space. Lyon is where texture meets elegance, designed to elevate curtain decor with depth and quiet character.
